EVENT SUPPORTED BY

With an aim to go beyond academics and to create a practical perspective on the World of Industrial Electrical & Electronics , Department of Electronic Science had organized a visit to “Industrial visit to NIMA Exhibition” Nashik, Maharashtra; on 21 March, 2022. A total 40 students of 3rd Year along with 5 faculties from Department of Electronic Science visited exhibition “Industrial visit to NIMA Exhibition” at Nashik.

The main objectives of this industrial visit are:

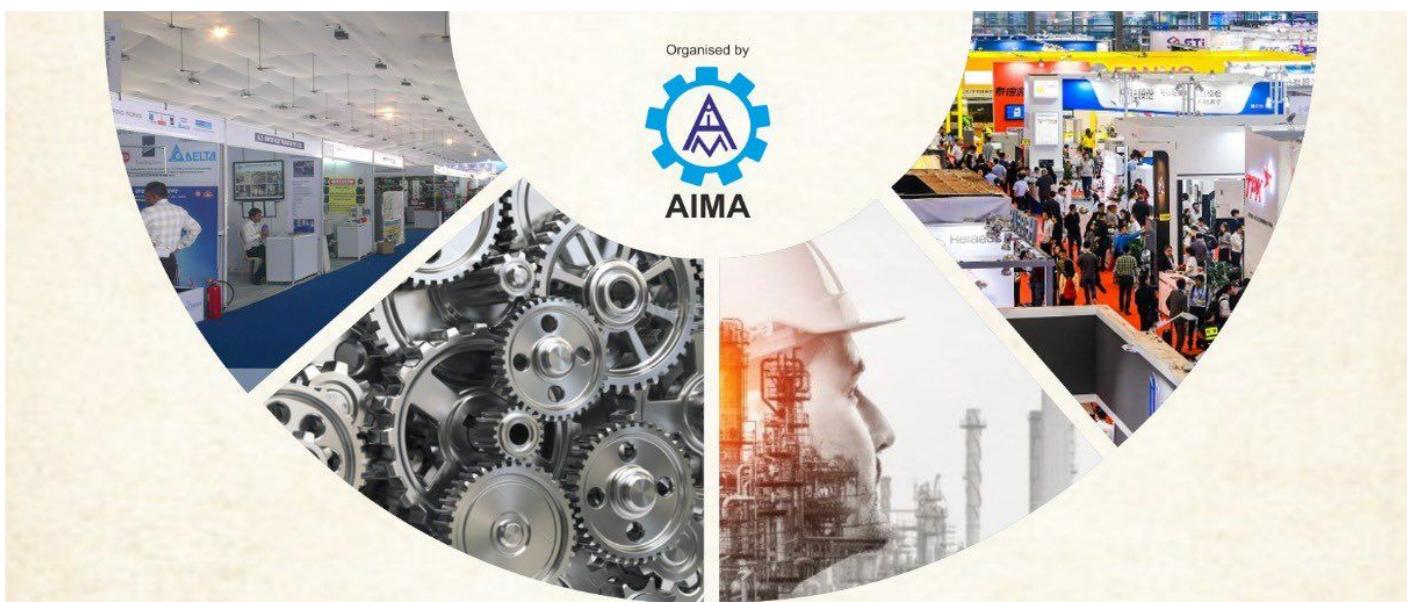

- An opportunity for the students to interact with actual industry personals.
- To make them aware of the machine equipment used in various fields of industries.
- Interaction of students with the peoples of important departments.
- To prepare the students for the selection of carrier paths in different departments of industry.
- To provide the knowledge of the current technical scenario of the industries to the students.

Exhibitions in Nashik

Nashik – One of the most famous cities of Maharashtra State is the third most industrialized metropolis next to Mumbai and Pune. In the city, there are number of companies producing exportable products like such as general and heavy engineering, electrical equipments, automobile parts, nylon, luggage moving spares and dyes. To promote their products and expand their business, several types of exhibitions and events are organized periodically by different private and government organizations. Such exhibitions and events help in exchanging their views among the entrepreneurs in the country and abroad.

About “Industrial visit to NIMA Exhibition”

Nashik Industries and Manufactures Association (NIMA) is an association that helps in promotion and encouraging industrial quality and growth. The association was established on 24th January 1971. Industrial Electrical & Electronics Exhibition is one of the exhibitions organized by the NIMA to promote the industrial sector of the city. Highlights of the exhibition are Power Quality & Control Solution, Electrical Safety, Technical Seminars, Green Energy, B2B, Power Backup Solution and Non Conventional Energy solution. In this exhibition, many people can take part like Industrialists, Government Officials, Traders or Suppliers, Consultants, Contractors, CEOs, Trade Delegates, Consumers, Bankers, Architects and Engineers.

AIMA

AIMA Ambad Industries and Manufacturers' Association is an industrial body supporting Nashik industrialists urging them to participate in many

industrial activities undertaken for the benefit of industrial community at large. Over the last 30 years AIMA has strived towards the betterment of industries, ensuring that all small scale businesses get benefitted from the same. Today Nashik has transformed itself in to an industrial hub promising exponential growth in the sector.

In order to give a further boost, AIMA is coming up with its flagship event AIMA INDEX 2022, an industrial exhibition which is held regularly and is the 6th edition this year. This exhibition will provide a platform to all industrialists, displaying the immense potential of the industrial sector in Nashik.

In the exhibition, there were 300 stalls.

The exhibition was spread into the area of 320000 sq. Mtr.

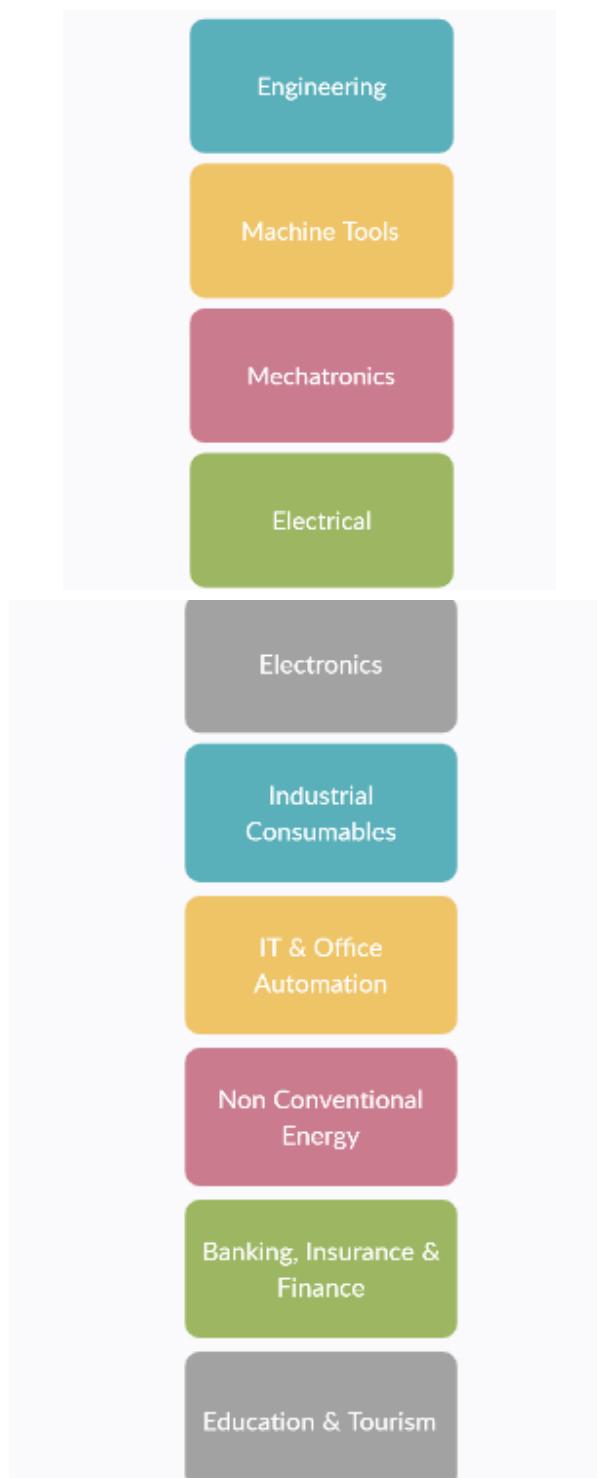

It was a great place for Business& Networking Opportunities,

Buyer- Sellers Meet, National and

International Delegation from MSMEs and Government Agencies.
